

# **1 Sample Latex**

## **1.1 Basic**

The Basic Section in a book are chapter, section, subsection and so on. These section will appear in the table of contents of the book

## **1.2 Example Subsection**

This is just one exaple for a subsection.

## **1.3 Basic Page Setting**

In order to show how the basic page setting are set up, we will use a long dummy text with the package.
